Wood Floor Restoration System

Beautify wood floors in just one day the fast and easy way. It restores any dull, or worn finishes and eliminates scuff marks and scratches. And is compatible with all types of wood floors, even laminate! Indoor floor use only.

Get It Done Right

Ready Step

Finished Hardwood Stairs as easy as 1-2-3!

The Ready Step™ is a one piece step and stair nosing that allows for quick and easy installation. You can cut your costs by as much as 30% and still have the professional look of beautifully finished hardwood stairs.

- Available unfinished and pre-finished!
- One-piece step and stair nosing eliminates labour costs!

Features and Benefits:

- One-piece step and stair nosing allow for quick installation without the use of specialty floor installation tools.
- A one piece tread and nosing also means no gaps and squeaking like traditional stairs
- Single or double returns installed right at the factory to ensure a simple install and allow for all finishing to be done outside of your home.
- 10 year manufacturer warranty.
- Available in 3', 3 1/2' and 4' lengths for application to most stair case sizes.
- Price per step is comparable to what a nosing alone costs!

Laminate flooring version also available

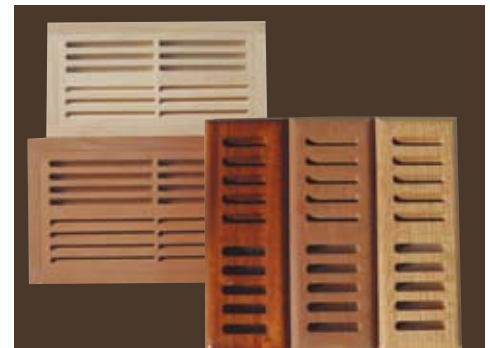

Unfinished Real Wood Flooring

At Windsor, we specialize in wood and wood products, so it's no wonder you'll find our selection of wood floors truly amazing. If you prefer Fir floors, you have your choice of edge grain or flat grain when you shop at Windsor. Come in and see for yourself.
