Go Green!

Top Off A Counter

Counter Top Plastic Laminates

This is still the most popular and economical way to finish off a counter or even a table top! At Windsor, we can supply hundreds of different colours and styles of counter top laminates including all the latest best sellers. And of course, at Windsor, we carry all the adhesives and tools to make the job easy.

The Greenguard Environmental Institute has awarded Arborite's high-pressure decorative laminate Indoor Air Quality Certification. To receive Greenguard certification, a product must pass the institute's stringent chemical emission tests and conform to its strict standards. Arborite high-pressure decorative laminate will not add harmful contaminants to indoor air.

ARBORITE

New Colours:

Professional Tools & Storage Solutions

Contact Cement

High strength contact cement formulated for strong bond applications. Use to bond high pressure decorative plastic laminate, wood and plastic veneers, paneling, carpet, leather, fabrics, rubber, paper, and polyurethane foam to wood, metal, particle board and other similar surfaces. Available in 3.78 or 946 ml cans.

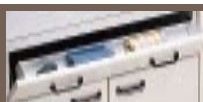

Cabinet Hinges

Swivel Plate

Ideal for Lazy Susan application or where fixed rotation is required.

Tip-Out Trays

Provides additional storage and convenience for the false panel area of the kitchen sink base cabinet.

Ironing Board

It's designed to be built-in between studs. Large board swivels. Comes with fold down sleeve board.

Accuride Drawer Slides

Smooth operation full extension drawer slides for kitchen, bath, living room, bedroom and office.

Easy-Close Slide

The Easy-Close brings drawers to a smooth, gentle close.

Blumotion® Hinge & Drawer Slide System

Blumotion is a soft close system designed for drawer slides and

cabinet door hinges that adjusts the resistance to keep door and drawers from slamming shut.
