Contemporary Styles

The best of the Euro-Modern or Cosmopolitan style, these up-to-date designs are offered in a wide range of current and ultra-modern finishes.

Traditional Styles

Historical style for significant architectural periods in history from Early American and Greek Revival to Georgian and High Victorian.

Rustic Styles

An assorted selection, grouping diverse forms such as the country cabin, the 1920s bungalow and the distressed postindustrial looks popular in lofts and more casual, urban styles.

Other Style Seris available include the Designer Collection, Country, Whimsical, Transitional, Appliance Pulls & Functional.
