

Aluminum Railing System

ProBuilt[™]
Do-It-Yourself Aluminum Railings

Glass Railing

A touch of class

The ultimate in design combining durability with long lasting beauty. Wide choice of railing styles and colours to compliment your home - perfect for enclosing sun decks, balconies, staircase, and swimming pools.

Features:

- Low maintenance powder coated finish
- No rusting or rotting
- No repainting required
- Available in 36" and 42" high styles
- Available in 4 different styles - wide picket, straight picket, basket or glass
- Unique, non-welded design allows the railings to be custom fitted during installation
- Estimating & design software generates a detailed list of materials and provides vital installation information
- Easy to install - all parts are included with simple instructions for professional looking results and a manufacturer's limited lifetime warranty

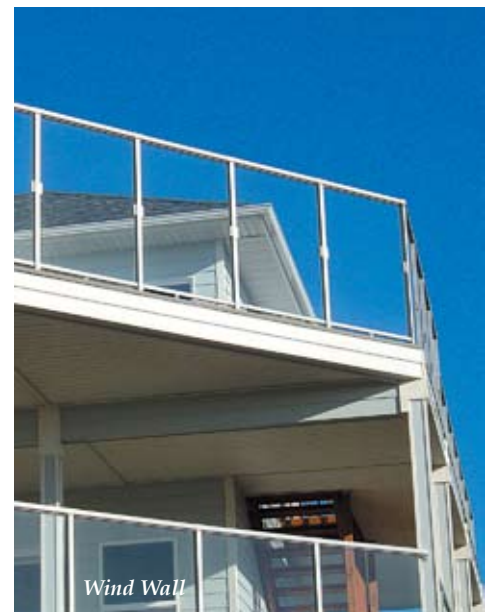

See my installation video at windsorplywood.com or ask the folks at Windsor for more details.
