

# WINDSOR DECK PACKAGES

AT WINDSOR, WE ARE THE MASTERS IN DECKNOLOGY

You'll find our people know decks... all aspects of decking right from the planning stage. We have in stock an excellent selection of decking lumbers, including Western Red Cedar and Pressure Treated lumber.

## THREE POPULAR KINDS OF DECK PACKAGES

### GROUND LEVEL DECK

This type of deck is suited to level terrain where earth can be easily levelled. A pressure treated joist system or "sleepers" protects from rot and decay underneath. This package includes:

- 4" x 4" treated supports as joists
- 2" x 4" treated fascia
- Galvanized nails and deck screws
- Your choice of decking options

### FREE STANDING DECK

Free standing decks are normally elevated on 4' x 4' or 6' x 6' posts. The posts can be either in ground or on concrete piers. This package includes:

- 4' x 4' Pressure treated posts
- 2" x 8" Pressure treated joist support system at 16" OC
- Ledger, fascia, galvanized nails, deck screws and hardware
- Your choice of decking options

### ATTACHED DECK

Extend your living area with an attached deck. Normally elevated on 4' x 4' or 6' x 6' posts. The posts can be either in ground or on concrete piers. This package includes:

- 4' x 4' Pressure treated posts
- 2" x 8" Pressure treated joist support system at 16" OC
- Ledger, fascia, galvanized nails, deck screws and hardware
- Your choice of decking options

### 3D DECK PLANNING & ESTIMATING

We can design the deck that's right for

you and give you an no obligation quote on top quality treated, composite and wood decks. Just bring in your ideas and dimensions and we'll do up a computerized deck design for you... complete with an illustration! We specialize in: Attached, Free Standing and Ground Level Decks

### COMMON DECK SIZES

Need help planning the size of your deck. Here is a few common sizes.

|           |           |           |
