

DEFINE YOUR OUTDOOR LIVING AREA

... with help from Windsor Plywood

DO IT YOURSELF • PREFINISHED • PRE-DRILLED GARDEN STRUCTURE COMPONENT SYSTEM

Create a space that fits your lifestyle! Yardistry's unique building component system lets you build Structures, Screens & Fences easily & affordably. Components are engineered and crafted to work together with stock dimensional lumber to produce hundreds of project designs. Projects that offer the ultimate in design flexibility, style, quality and craftsmanship that enhance any landscape. Create structures that provide shade or define an outdoor living space; Screens to create privacy or simply hide an air conditioner or recycling bin. Each pre-drilled wood-based component is made from exterior grade cedar, finished with a water-based stain that can be easily tinted or customized. All components feature Click & lock technology and work with off-the-shelf dimensional lumber - simple & affordable! Pre-finished powder coated, marine grade aluminum and stainless steel connectors, caps and clips for long-term durability. 5 year limited residential manufacturer's warranty.
