CUSTOMIZE YOUR NEW GARDEN SHED TO SUIT YOUR OWN SPECIFIC STORAGE NEEDS

Ground level skids

To ensure the long-lasting use of your Shed, we recommend it be built on pressure treated post or landscape ties as "skids". Pressure treated wood products are guaranteed to last. (not included in package)

Exterior Wall Finish

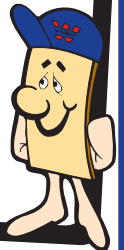

Prefinished vinyl siding is available for your new garden shed so you can match your home. If you prefer not to use siding or stucco, you must stain or paint the walls of the shed to protect against the weather.

DO-IT-YOURSELF PACKAGES

Prebuilt frame components make each shed a fast and easy to build project that you can do yourself. We're sure to have the package to fit your storage requirements, yard size, and your budget. Samples are on display at our store to help you decide.

EACH GARDEN SHED PACKAGE INCLUDES:

- Prebuilt, 2" x 4" frame components
- 3/4" solid OSB floor sheathing (off grade)
- 7/16" OSB
- Spruce door trim
- Door material, hinges, door hardware and nails
- Each garden shed also includes easy to follow, illustrated instructions so you can do-it-yourself from start to finish.

The knowledgeable staff at Windsor are always glad to help you with your garden shed plans or any other project you may have in the works, we're sure to have the answers you need.
